About Me

I am an 18-year-old Junior Web Developer with experience in React and TypeScript/JavaScript. Originally from Romania, I have been living in Germany for several years. I am passionate about learning new technologies and enjoy applying problem-solving skills to create effective solutions. In my free time, I like going to the gym.

WORK EXPERIENCE

Sept. 2nd 2024 - Feb. 28th 2025

NAT - Neuberger Anlagen-Technik

Vocational training as an electrician specializing in energy and building technology

- Installing and connecting internet cable modules using patch cables.
- Operating a lifting platform (Hebebühne) independently throughout the BMW factory.
- Installing electrical outlets where required.

Completed school-required internships, gaining hands-on experience in [specific tasks, e.g., electrical installation, working on cars, working in a team.

Additional Skills gained during apprenticeship:

- Developed logical and structured thinking.
- Built trust and effective collaboration with co-workers.
- Learned to take responsibility and work independently.
